Serial No.: 09/186817

Filed: November 5, 1998

Docket: 450.183US1

Title: MULTIPLE AUDIO DACS WITH PC COMPATIBILITY

PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION UNDER 37 CFR § 1.181(a)
OR, IN THE ALTERNATIVE, PETITION TO REVIVE ABANDONED
APPLICATION UNDER 37 CFR § 1.137(b)

As provided in MPEP § 711.03(c), the undersigned attorney as Representative for the Applicant believes that the above-identified application was improperly abandoned by the Office, and hereby petitions for withdrawal of abandonment and resetting the time for response, based on the following facts and information:

1. In response to Applicant's inquiry to the Office regarding the status of this case, on September 10, 2003, the Office faxed Applicant a copy of an Office Action dated December 17, 2002. The 6-month statutory period for response to the Office Action expired on June 17, 2003. A Notice of Abandonment has not been received.

2. Upon information and belief, neither Applicant, nor Assignee Gateway, Inc., nor its undersigned Representative received the Office Action dated December 17, 2002 prior to June 17, 2003, which was the end of the statutory period for response. The Office Action should have been addressed to Gateway, Inc., the Assignee.

3. Assignee Gateway, Inc. and Applicant's undersigned representative have made a search of the file jacket and docket records of the above-identified application. The search of both the file jacket and the docket records indicates that the Office Action dated December 17, 2002 was not received prior to June 17, 2003. A copy of the docket record for the six months subsequent to December 17, 2002, is attached hereto as an Exhibit entitled "Docketing System Notes of Gateway, Inc. for USSN 09/186,817, for the period 7/23/01 through 9/10/2003".

OFFICE OF PETITIONS

4. The attached Exhibit entitled "Docketing System Notes of Gateway, Inc. for USSN 09/186,817, for the period 7/23/01 through 9/10/2003" is the record or report where the nonreceived Office communication would have been entered had it been received.

5. No fee is believed due for this petition, but if a fee is required, it may be charged to Deposit Account No. 50-0439.

6. Although Applicant's Representative believes this Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action under 37 CFR § 1.181(a) to be correct and appropriate, he also states that any error inadvertently made by him which resulted in abandonment of this application was unintentional. In the event it is deemed that a Petition to Revive Abandoned Application under 37 CFR § 1.137(b) is required to revive this application, such petition is hereby made, and any fees required may be charged to Deposit Account No. 50-0439.

7. This petition is also accompanied by a response to the Office Action dated December 17, 2002.

Respectfully submitted,

MARK RAPAICH

OFFICE OF PETITIONS

Hi Brad,

Further to our telephone conversation earlier this afternoon, here is my assessment of the situation. As you mentioned in the earlier telephone message you left for me, Examiner Lin Lao called you to say that the 09/186,817 (P1218US00) had gone abandoned for a failure to respond to an Office Action that he purportedly sent to Gateway. Following your telephone message to me, I called Examiner Lao to inquire about the situation, and inform him that we had not yet received his final Office Action. I told Examiner Lao that you were prosecuting the application

Notes for Case Summary: P1218US00
Printed: 10/7/2003

and would follow up with him.

Please contact Examiner Lao and determine the best course of action for proceeding. If you can have him reissue the final Office Action, I would agree to filing a continuation-type application (probably an RCE) to further prosecute the application. If you feel some other course of action is warranted, please let me know.

Very best regards,

Scott

Hi Gayle, Hi Brad,

Further to my email of yesterday regarding the application we did not receive a final office action in (P1281US00) and the telephone message from Brad a few minutes ago, even though we have not received a Notice of Abandonment the case is already abandoned as a matter of law, as of the day after the six month due date. Here is how we should proceed:

- Ø Brad, please prepare a Telephone Interview Summary that references your telephone conversation with Examiner in which he asked whether we had filed a response. This is the first time we learned that he had sent out an Office Action. (What was the date of the Office Action?) We will file the Telephone Interview Summary with your Petition to Withdraw Abandonment.
- Ø Brad, please prepare a Petition for a Withdrawal of Abandonment pursuant MPEP 711.03(c)(II) (as per Brad Forrest's suggestion). Also prepare the affidavit for Gayle/Scott to sign stating that the Office Action was not received. FYI, I will be out of the office after this coming Monday-so it would be best to have it done by then.
- Ø Gayle, please print out the Patix docket report for month in which the Office Action would have shown up, to demonstrate that the P1281US00 Office Action was not received. Also print out the Patix "diary" section for P1281US00. These items will be filed in support of Brad's Petition.

Once we pull these things together (next week), Brad can file the Petition and we're back in business.

Hi Gayle,

This is a patent application that the PTO says is now abandoned. However, we did not receive a final Office Action from the PTO, so we should be able to traverse the abandonment, as per Brad's comments below.

Let's see if we can pull this stuff together for Brad. We need to send a listing (a Patrix print-out) of the items received from the Patent Office for one week before and after we expect to receive the final Office Action. Also, we will need to work up a paragraph or two outlining our procedure for receiving, docketing, and entering PTO mail into our casefiles.

Very best regards,

Scott

Hi Scott, the Examiner said that he will hold off on the notice of abandonment, and that we should submit proof that we did not receive the office action. Perhaps an affidavit from you or Gayle indicating that she processes all the mail from the USPTO, and that she does not recall seeing it. We could also throw in that the first thing she does every time when receiving mail from the USPTO is enter it into the docket system, and that the docket system does not show an entry. The mail then goes to you, and you did not receive it, and it is not in the file. Perhaps check for loose papers, and in files that show activity about the time that the office action should have come in, and say it was not found. The Examiner said, the more facts, the better.

I asked him to fax a copy of the office action to me, and he said he could not do it. I did not argue. Images are now available on PAIR, and I'll see if we have the ability to access them. Brad.
